

The LORD is my Shepherd (Psalm 23)

I'm one of many sheep,
By my Shepherd am well led,
And by Him I surely keep
Myself so fully fed
In pastures which are green,
Nourished by waters still,
My restoration so well seen
From righteous name "I will".

Though I may walk with death
In shadowed vale, when low,
I'm comforted by Him Who saith
He'll strengthen me where'er I go.
Mine enemies will see
That care and love, by grace,
So full and freely given to me,
Leading to an eternal space.
